

2 MILLION DOLLAR SETTLEMENT SECURED ON SEPTEMBER 12, 2025 FOR A
CONSTRUCTION WORKER WITH A SIGNIFICANT BACK INJURY

The case involved a severe back injury suffered by a 56-year-old Portuguese native who worked as a carpenter in a school building on Massachusetts. The employer along with other companies were remodelling this old two-level factory building. The incident occurred when the employee fell off a defective staging.

He was initially hospitalized at a hospital in Boston where he underwent extensive treatment. He had successful back surgery and prognosis is very good.
