

**\$600,000.00 SETTLEMENT SECURED ON APRIL 2, 2026 FOR A CONSTRUCTION
WORKER WITH A SIGNIFICANT BACK AND KNEE INJURY**

The case involved a back and knee injury suffered by a 56-year-old mason. He suffered the injury when he stepped on an unsecured manhole and fell.

He was initially hospitalized at a hospital in Boston where he underwent extensive treatment, including back surgery. Unfortunately, he had to undergo also knee surgery a year later. The injured worker has recovered well.
